

Financial Aid Application Packet

For the upcoming season, the Board of Directors of the Oak Ridge Jr. Trojans Football & Cheer has initiated a Financial Aid Fund to provide help to families in need of financial assistance during these hard economic times. The board has allocated a Financial Aid budget that is available and open to all who feel they may be in need of this assistance in order to participate in the Junior Trojan Football and Cheer program. Approval for all or part of the requested Financial

Aid is not guaranteed and will be approved/denied on an individual basis. If approved, your financial aid will only cover your registration fee (*no cheer uniforms, no spirit packs, etc.*)

Please fill out the Financial Aid form and return to the Vice President of Administration no later than **May 1st by 5pm. It must be emailed to vp-admin@jrtrojans.org. In the subject line, please add: ORJT CHEER FA 2024 – *insert your child's name*.**

A parent or guardian should make the financial assistance request. Once the financial request is reviewed and approved, the parent or guardian will be required to complete 12 hours of volunteer service for each cheerleader and/or football player approved as described in the application (*16 total volunteer hours if two applications are submitted for two separate athletes*) and work volunteer hours during the season Playoff or Championship game we host at the end of the season. A member of our Board of Directors will be in contact with you to confirm the volunteer service you are able to provide to the organization. You can be a coach, assistant coach, team Parent Guardian, Game Day and/or Registration Day volunteer as needed in order to satisfy the volunteer hours requested for this financial application. There are many ways to volunteer within the ORJT program so please feel free to contact any Board member as soon as possible to find out where your volunteer hours may be provided.

Have a great football and/or cheer season!

The Board of Directors,

I agree to fulfill the Financial Aid requirements of providing 12 hours of volunteer hours to the Oak Ridge Jr. Trojans Football & Cheer program (16 total volunteer hours if two applications are submitted for two separate athletes), as repayment for the requested fees for each player. I understand that the Vice President of Administration may approve the date, time, location, and type of service.
